Cortez Travel & Expeditions, with first hand, in-depth and on-going knowledge of Madagascar, has been designing special interest and custom itineraries for discriminating travelers, individuals as well as private groups of family or friends, for the past fifteen years.

Should none of our standard tours offering the Best of Madagascar in a number of varied itineraries exactly fulfill your wishes, we will gladly design a personalized program to your own specifications.

A \$400 custom design fee is required to process a Custom Tour Request with the amount credited in full to your Custom Designed Tour at any time during the next 18 months.

If you eventually opt for a standard Independent Tour or Group Tour, \$200 will be credited and \$200 retained as administrative and consultation fee. If you decide not to travel at all, the custom design fee will be forfeited in full.
